

The new Canadian Anti-Spam Legislation which came into effect in July 2104 means that parents/guardians must provide opt-in consent to receive our electronic newsletters and bulletins.

We would like you to be informed about school events and activities and to receive school newsletters electronically from our school website. In order to be possible, you need to subscribe on the main page of our school website so you will automatically receive this information.

Step 1 – Go to website. Select Forum Subscriptions

Step 2 – Enter email address and be sure both boxes are checked off.
