

**January 27<sup>th</sup>**  
**KELSET Family Literacy Day!**

On this day NATIONWIDE, we celebrate the connection between FAMILY & LITERACY. We have designed a short, fun KELSET family homework assignment.

**KELSET Family Corridor of Kindness**

Each student is to create a poster with a positive message. It can be a quote from a book, movie, or you can make something up! (maybe something your child has said?)

Remember to phrase it in the positive:

Rather than, "don't be mean"

Say, "be nice"

The text should be BIG and BOLD so everyone can read the message. To get ideas, look on the KELSET homepage for a link to a SYMBALOO of ideas!

PLEASE turn in the posters to the classroom teachers BEFORE JANUARY 27<sup>th</sup>

Paper of all sorts is available in the library if needed.

The WHOLE family can help with the poster! After all, this is FAMILY homework!

**AND . . .**

You are cordially invited to READ WITH YOUR CHILD on January 27<sup>th</sup> for the first 30 minutes of school in their classroom!

**Let's make it EVEN better:**

Random Acts of Kindness Day is February 17<sup>th</sup>. During this week, we would like FAMILIES to take the posters from OUR walls and share them with our community. Do you have a business, office, or public place to display a positive message?

Put a RED heart in the bottom left hand corner (and name on the back) if you want the poster back because you know EXACTLY where it should go on RANDOM ACTS OF KINDNESS DAY.

All other posters will be up for grabs for families to RANDOMLY DISTRIBUTE.

We are in need of families to distribute posters. If you are interested, please contact Ms. McManus ([jmcmanus@sd63.bc.ca](mailto:jmcmanus@sd63.bc.ca)) to be ambassadors of kindness. What a great way to involve kids in our community!

Be creative! Be positive! Be inspiring!

Thanks,

Julie McManus
