James Island Golf Package

This is your opportunity to purchase a once in a life time golf experience on a private Jack Nicklaus Signature Golf Course on James Island, a 780-acre private island prominently situated within Canada's famous Gulf Island archipelago.

For \$2000.00 you will get an exclusive golfing experience that few others will ever be lucky enough to enjoy. The package includes a private boat to and from the island, lunch and 18 holes of golf on a champion course for four people.

If you are looking for an amazing day for you and three of your golfing buddies it's yours for \$500 each. This would also be the ultimate client meeting or corporate event. If you've ever wanted to knock the socks off of someone here's your chance!

In addition to the most incredible day of golf you and your three friends will ever experience you will also be supporting KELSET Elementary. ALL \$2000 will go directly to the PAC to be used to fund important activities and equipment for our school.

You may never have this opportunity again so act fast by contacting Wendy Thompson at wendythompson@shaw.ca or 250-889-9766 before June 25th.

Thank you for your support.
