Last call for Anawim Donations!

As you are aware, we are collecting items or cash donations to help us to build stockings, filled with "basic essentials" and a treat or two, to be delivered to homeless individuals, at Anawim House, at 973 Caledonia Ave., next Thursday. As we will be building the stockings early next week, all donations are needed by the end of the day on Monday. Please see the reverse, for a reminder of the items that we are collecting.

Christmas Hampers:

We will also be building hampers filled with non-perishable food items and new or VERY gently used clothing, toys and other gift items. A collection box is located at the front office and donations are being accepted until Monday, December 16th. If you wish, donations can be made at the door when we have our carolling session on December 16th, at 6:30. (Please note that cash donations are also welcome.)

******Any contributions to the above two projects will help to brighten the Christmas season for individuals and families in our school and the greater community. Thank you for considering donations, if you are in a position to do so.******

Carolling Evening:

A reminder that you are invited to join us for carolling, on Monday, December 16th, at 6:30, in our gym. This will be a great opportunity to connect with others from our school community and to get into the Christmas spirit!!
