2151 Lannon Way, Sidney, BC

In order for us to offer such flexible registration in some of our camps, we have had to create multiple barcodes per day; therefore, not all barcodes are not listed in this publication. If the camp you would like to register for does not have a corresponding barcode, check out the online version of this publication for direct access to our registration system ([www.panoramarecreation.ca](http://www.panoramarecreation.ca))

# Welcome to Summer 2014!

Panorama Recreation is excited to offer over 50 exciting camps this summer! We've carefully planned our programs to accommodate the interests, needs and abilities of all of the youth in our community. We've even included some flexible options at Greenglade Community Centre and Centennial park, where you can choose between morning, afternoon or full-day camps, and where you can also choose between daily and weekly registration! How convenient is that?!

This summer, we are especially excited to make use of the new playground at Centennial Park! Did you know that playgrounds contribute to a child's cognitive and physical development? Play structures also promote language development, intelligence and social skills. The new playground at Centennial Park was designed to facilitate these processes while encouraging inclusive play, offering play elements for children of all abilities. The playground, which was built with funding assistance from the Government of BC's Community Recreation Program, includes two zones, one recommended for 2-5 years, and the other for 5-12 years. The playground also features accessible pathways connecting key amenities and a central viewing "plaza" with seating and picnic tables. Our camp leaders are excited to incorporate plenty of playground time into each fun-filled day at Centennial Park!

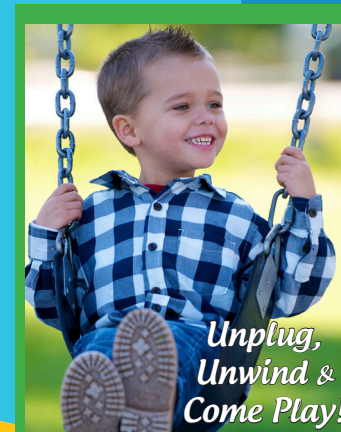

We're making each week extra special by incorporating themed activities into each day. Themes only apply to Kinder Camp, Sunseekers, Adventure, Outdoor Pursuits and Adventure-Seekers camps.

- June 30 - July 4: Land Ahoy
- July 7 - 11: Water Works!
- July 14 - 18: It's a ZOO
- July 21 - 25: Treasure Hunters
- July 28 - Aug 1: Awesome Science
- Aug 5 - 8: Extreme Art
- Aug 11 - 15: Spy Kids
- Aug 18 - 22: Under the Big Top
- Aug 25 - 29: Survivor

## Thank you to our Summer 2014 Sponsors

Live well. Have fun.
