

# Host Families Wanted in Saanich School District

**Saanich School District has been successfully welcoming International students for almost 20 years.**

Our success has led to increased enrollment in our program. As such, we are hoping to entice more warm and caring families to host our next group of students.

Host families not only receive reimbursement of \$925 per month but also enjoy the unique opportunity to learn about other cultures while sharing Canada with their students.

Further information can be found on our website [www.sisp.sd63.bc.ca](http://www.sisp.sd63.bc.ca).

Call or email for more details.

SISP Office 250-655-2720

**If you live near Claremont, Stelly's or Parkland Schools you can help us say "yes!" to another International Student for Fall 2019.**

*"This has been a very rewarding experience for our family, and I can't say enough about the program and the good things it brings to all of us connected with it!" (Glen Brown, Parkland Host Parent)*
